

## THE TASMANIAN ARBORETUM Inc.

### TREE SPONSORSHIP

You may choose to sponsor a living tree within the Arboretum to remember or commemorate a named loved one, or indeed to sponsor one for yourself, or for family members or friends. We will care for the tree throughout its normal life. In the event of an unexpected early loss (within the first five years of sponsorship), we will replace the tree or arrange for a selection of another. An inscribed plaque with your chosen wording will be placed by the selected tree.

**CHOICE OF TREE:** We encourage you to walk around the Arboretum and choose your own tree, which needs to be well established and not previously sponsored. There is a metal stake with a white label of identification beside every tree in the Arboretum. If possible, please record the chosen tree name (usually its botanical name) and any numbers on the stake label. A photo will help us, also if you're able to identify where the tree is located (e.g. Tasmania section.)

If you are not able to do this and need assistance, please give us as much information as possible about what tree you would like, including location, and we'll provide some options for you to consider. If mobility is an issue, you may drive a car slowly around the main track to inspect trees at the north end of the Arboretum, and you can make an appointment as needed.

Once your tree is chosen and agreed, and your payment is received, we will reserve your tree and proceed with having a metal plaque made up with your chosen wording. You'll be kept informed during this process and of date of completion.

**APPLICATION - Please enter your details** *(not be supplied to any third party.):*

**I/We** *[Your Name(s)]:*

would like to sponsor a tree for a once-only payment of \$500.00.

**Address:**
